

Declaration of conformity to RoHs European Directives 2011/65/EU

With respect to the aforementioned regulatory frameworks we provide you the following declaration and would like to inform you as follows:

With this statement we confirm and assure that to our best knowledge our products fulfill the requirements of RoHS 2011/65/EU as amended up to and inclusive of the Commission Delegated Directive EU 2015/863. These products are compatible with the current RoHS requirements for the 7 substances (max. 0,1 % by weight in homogeneous materials for lead, mercury, hexavalent chromium, polybrominated biphenyls (PBB), polybrominated diphenyl ethers (PBDE), Deca-BDE and max. 0,01 % for cadmium). Since the presence of the above mentioned substances cannot reasonably be expected, ept GmbH does not systematically check their absence by testing.
